

## Volunteer Orientation Dates for the 2022/23 School Year

**Who:** New Volunteers who have not completed an Orientation.

**What:** Learn the district guidelines to become a successful volunteer. The orientation allows for volunteers to participate and support students/staff in the classrooms, chaperon field trips, and to work any special event during the school day or after school for a district sponsored events, clubs and activities. *Please note: it is up to the discretion of the teacher to allow volunteers in the classroom or for events.*

**How:** Register online for the following sessions on our school website under parents and community tab click Community Education or the Volunteer Program from the drop down menu.

<https://spencerport.revtrak.net/Community-Education/>
